**Thoroughly cooking foods of animal origin such as beef, eggs, fish, lamb, pork, poultry or shellfish reduces the risk of foodborne illness. Individuals with certain health conditions may be at higher risk if these foods are consumed raw or undercooked. Consult your physician or public health official for further information. Please inform your server of any dietary needs or food allergies (including nut, flour, dairy, or shellfish). We will make every attempt to meet your individual dietary request. Although best practices are used, items may inadvertently come in contact with allergens since our facility is not allergen-free.*
